It seems that most - if not all - gps devices including google maps will give directions through a route (from Minocqua) that is not recommended during winter.

Use the following driving directions:

From Hwy 70, 6.8 miles west of Minocqua, turn south onto Squirrel Lake Rd.  
Go south on Squirrel Lake Rd for 4.7 miles and turn left (east) onto Scotchman Lake Rd  
and continue on to Minocqua Winter Park.

**USE THIS ROUTE DURING WINTER!**
