

## PINE RIVER (PN1)

<b>Put-in</b>	County N Bridge Landing
<b>Take-out</b>	W.E.P.C.O Landing # 5
<b>Distance</b>	9.3 miles
<b>Approximate Time</b>	4 hours
<b>Most Difficult Rapids</b>	Class 1

<b>Elevation Drop</b>	20 feet
<b>Average Gradient</b>	2.1 feet per mile
<b>Minimum Suggested Flow</b>	150 cfs / 1.75 ft USGS Gage @ County N Bridge
<b>Water Level Info / Phone</b>	see website (USGS link)

### Paddler's Notes

- 10.3 Mile County N Bridge Landing River:** A few sets of riffles are in the first mile. The river flows with a moderate current past scenic, high wooded banks. **Shuttle:** The landing is north of the County N bridge, on the east side of the highway. A short wood chip path leads from the parking area to the river. This is an excellent developed landing. Hand carry access, parking, trailer turnaround.
- 8.9 Mile Rapids (Class 1)** After a left bend, the river runs through an easy class 1 rapids. A small island is downstream. More riffles follow the island.
- 6.8 Mile "Oxbow Landing", County N River:** You should hear highway noises from County N before you see the landing on the left bank, near the start of a right bend. Wooden steps rise from the waters edge beneath an access sign, a wood chip path leads up to the parking area. **Shuttle:** The landing entrance is on the east side of the highway, 0.4 miles north of the Highway N Bridge Landing. The river is 100 yards down a wood chip path from the parking lot. Hand carry access, parking, trailer turnaround.
- 5.7 Mile Johnson Creek** A high forested ridge on river left ends near the mouth of the creek.
- 4.6 Mile Johnson Creek Rd Landing River:** The landing is on the left bank in a long straight stretch. A cabin sits on the left bank beneath tall white pines, several hundred yards downstream from the access. **Shuttle:** From County N, turn east on to Johnson Creek Road. Follow the River Access signs to the entrance, which is about 3.1 miles from County N. A wide trail from the parking area leads to the river. Hand carry access, parking, trailer turnaround.
- 3.3 Mile Pine Creek** The creek enters from river right.
- 2.8 Mile Lepage Creek** The creek enters from river left in a long straight stretch.
- 1.0 Mile WEPCO Landing # 5 River:** The river flows through beautiful northwoods scenery. Groves of birch and pine blanket steep slopes on the right bank. A gravel access ramp is on the left bank after a left bend, surrounded by thicket. **Shuttle:** On Highway 2 / 141, at the east end of Spread Eagle, turn south onto Ellwood Lake Road. As the road curves around the south end of Lake Ellwood, turn south again onto DD Road, the landing is at the end. Trailer access ramp, parking, trailer turnaround.
- The river gradually widens as it nears the confluence with the Menominee River, a mile downstream from the landing.
- 0.0 Mile Menominee River Confluence** The Pine joins the Menominee River.
