CRYSTAL LAKE CAMPGROUND

WELCOME!

Crystal Lake Campground, sites 401-501, is located in the central portion of the forest and is one of the most popular. The entire shoreline is a designated beach with picnic areas on the west and north sides, and is only a small walk or bike ride to this area from the campground. This lake is perfect for canoers and kayakers who can launch at the small craft landing within the campground – no motors allowed. Stop in and check out the Nature Center or use the reservable picnic shelter for large gatherings. The Tom Roberts ADA accessible trail is also located near this campground.

TICKS AND LYME DISEASE

Ticks are common across Wisconsin and may be found in the forest. Lyme disease is an illness that can be spread to humans from the bite of a tick. You can protect yourself against Lyme disease and other tick-borne diseases by practicing these tips:

- Stay in the middle of trails.
- Apply insect repellent on exposed skin and over clothes.
- Wear light-colored clothes to spot ticks more easily.
- Do a full-body tick check after outdoors activities.

CAMPING RESERVATIONS

Camping reservations are required and can be made for the same day of your arrival or up to 11 months in advance of your planned date of occupancy. **Campers must make a reservation before setting up on any site.** Reservations can be made online at dnr.wi.gov or by calling **888-947-2757**.
