

# Shannon Trail System

Northern Highland American Legion State Forest

## Welcome!

**Shannon Trail System terrain** is gently rolling with a variety of timber types. The loop around Shannon Lake is especially scenic. Shannon Trail System is groomed, for winter activities, by a local volunteer. The green trail is intermediate and the rest of the loops are classified as novice. Approximately half of the trail winds through an area that was logged in 1976, 2000 and again in 2010. The remainder meanders through a variety of northern hardwoods. Leashed pets are allowed on this trail. No fee or pass is required.
